Lascal® M1  
Carrier

## THE ULTIMATE BABY CARRIER

Lascal®

The Lascal® M1™ Carrier is the next generation of baby carriers with a sporty and fashionable look for today's modern parent. Using the latest high tech ventilated fabrics dramatically increases the comfort for both baby and parent. Super soft and naturally anti-bacterial Bamboo fabric is perfect for the removable Top Cover and for the leg and arm openings, that come in contact with baby's skin.

The innovative 3-way adjustable front piece creates a secure and perfect fit for newborns, as well as extends the use for bigger babies. A unique built in back support will keep baby's developing spine straight at all times.

The M1™ Carrier is quick and easy to put on and take off. Wide padded harness straps and a ventilated lumbar support provides ideal weight distribution, relieving stress on shoulders and back for ultimate parent comfort.

### ► Colour

## THE ULTIMATE BABY CARRIER

**Width Adjuster** creates a perfect fit for the newborn baby (from 3.5 kg/8 lb), as well as the bigger baby (up to 14 kg/30 lb).

Patents pending

**Adjustable Head Support** cradles the newborn's head and later folds down to allow the older baby to face forward.

**Length Adjuster** allows the carrier to gradually grow with the baby.

Patents pending

**New built-in Spine Support** truly supports baby's developing spine at all times.

**Bamboo Fabric Top Cover\*** removes for easy cleaning and also functions as a canopy against sun and wind. Extra top covers are available.

\*Also available as an accessory

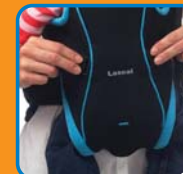

Quick and easy to put on and take off with ergo-nomically designed **Buckles**.

Patents pending

**Wide Harness Straps and Ventilated Lumbar Support** create an ideal weight distribution, relieving stress on shoulders and back for ultimate parent comfort.

Patents pending

**New design and extra comfortable, padded Bamboo fabric** in the leg openings reduces stress on the baby's legs.

## Lascal<sup>®</sup> M1<sup>™</sup> Carrier

► **Function**

The art of moving forward™

The BuggyBoard-Maxi is designed to attach to the upright tubing of a stroller or to the frame of a pram. The connectors are made to fit square, oval or round tubing with a maximum circumference of 20cm (8in). No wheel axle required.

Tested and approved by SP Swedish National Testing and Research Institute according to EN 1888:2003 Clause 17.
